

How to use live scoring on Golf Genius

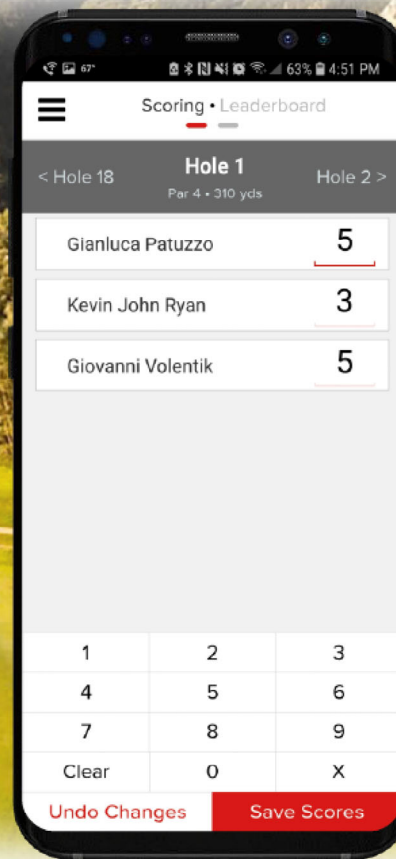

Less Work. More Fun. More Revenue.

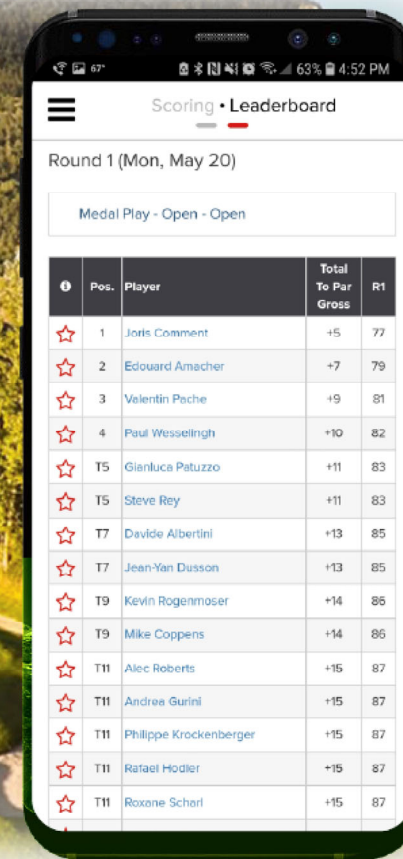

Download the free Golf Genius app from the app store. Log in using your GGID located in the bottom right hand corner of your scorecard.

Select your name. Only 1 person in each group needs to do the live scoring but anyone can login to view leaderboards.

Use the number pad to enter GROSS strokes only. Golf Genius will calculate tournament results using GROSS strokes.

Stay up to date with the live leaderboard as well as view official results and prizes after the round.
